SUMMARY

Full Stack web developer with experience in JavaScript, jQuery, React, HTML5, CSS3, Bootstrap 4, MySQL, Sequelize, Mongodb, Mongoose, Node.js, Express and Git/GitHub. I completed six months coding bootcamp at University of California, Irvine to follow my passion for web development.

Broad experience of working with multinational organizations and non-profit organizations. I have a passion to solve complex problems, providing one of the best solutions given the availability of human, financial, and technical resources. Excellent at project planning and management, public relations, financial management and research.

TECHNICAL SKILLS

Languages: HTML5 | CSS3 | Bootstrap 4 | JavaScript | jQuery | React | Firebase | APIs | Express

Applications: Visual Studio Code | MySQL | Mongodb | Mongoose | Node.js | Git/GitHub | Robo 3T | SAP

PROJECTS

Good Neighbor | GitHub Repository: <https://github.com/anumasif1/project-2>

Website: <https://safe-mesa-32574.herokuapp.com/index>

Description: Good Neighbor is an app that allow users to find someone in close vicinity to run errands for you, buy and sell products. This app also uses open Map API to retrieve location info in map.js.

Responsibilities: Design and complete front-end of the app.

Tools Used: This app is developed by using Model–View–Controller (MVC) structure. The main npm packages used are Express.js, Passport.js, Sequelize.js, Express-handlebars, moment, and MySQL.

Safe Zone | GitHub Repository: <https://github.com/anumasif1/project-3>

Website: <https://obscure-journey-79165.herokuapp.com/>

Description: Safe Zone is an app designed for people to report and stay updated on any criminal activities or dangerous situation or events witnessed at a particular area.

Responsibilities: Creating the backend API, express handlebars, design and front-end of the app.

Tools Used: Node.JS, Express.JS, Passport.JS, Socket.IO, Moment.JS, Express Session, Cheerio, React.JS, React-Bootstrap, MongoDB. This app also uses Leaf map API to pull geo-location data, and local crime headlines from ORegister.

EXPERIENCE
